

Rollo

ROLLO

ROLLO

PT - Num mundo onde flexibilidade e adaptabilidade são essenciais, surge o Rollo. Mais do que um simples pouf, ele redefine-se como uma peça multifuncional que se adapta às necessidades do ambiente. Com as suas rodas, o Rollo permite uma mobilidade sem esforço, transformando rapidamente qualquer espaço. O painel acústico em PET felt, com pega integrada, não só proporciona uma área de tranquilidade, como também permite o transporte e reorganização do espaço.

EN - In a world where flexibility and adaptability are essential, Rollo appears. More than a simple pouf, it redefines itself as a multifunctional piece that adapts to the needs of the environment. With its wheels, Rollo allows effortless mobility, quickly transforming any space. The PET felt acoustic panel, with integrated handle, not only provides an area of tranquility, but also allows for transport and reorganization of the space.

Mobility Meets Customization

Rollo stands out with the different coverings available and a wide range of PET felt colors, this pouf can be adapted according to individual style and preferences. This combination of functionality and aesthetics makes Rollo an ideal choice for any environment.
