

Tinker

EPOXIA

Tinker collection

Designed to be inviting, **Tinker** is conducive to comfortable sitting and relaxed work by a mid-high table. Its form highlights the plywood backrest and the seat shell, upholstered in fabrics. In terms of typology, Tinker lies between a chair and easy chair. Therefore, the seating cushion is intentionally softer, accentuating the feeling of cosiness and luxury, also achieved through its overall ergonomics. The slim steel legs keep the base "afloat", and they are available in diverse coating finishes.
